

Exalt Kathy Peak Ministries

December 2012

On The Road

Dear Friends, we wish you God's richest blessing at this Christmas time. This has been a year of transition for us, combining our ministries of singing, diving, and volleyball. So concerts are now planned on the way to or near aquatic facilities with diving boards. We began the year in San Diego and worked our way to Portland via Santa Cruz, San Jose area, Redding, CA, and spent Easter in Medford, OR. with Kathy's Aunt and Uncle. We then did concerts in east-

ern WA and Boise, ID before the Nat'l Volleyball Championships in SLC.

We picked up our grandkids, Jacob & Ellianne in Houston and had 10 wonderful days taking them to see the Alamo, Carlsbad Caverns, Meteor Crater, the Grand Canyon, and a hot air balloon ride in Albuquerque. In Aug. Gordon worked out at Northern Arizona University in Flagstaff before competing at the Master's National Diving Championships in Riverside, CA. And in Oct. we attended the Huntsman World Senior Games in St. George, UT. On Sept.10-Dec. 30 we parked in Mesa, AZ to rest and see doctors for check-ups. Tennis anyone?

After 34 years., at a concert, Todd Cottengim recognizes his teacher from Redwood Christian H.S. !

Gordon's Log

Dinah, our motorhome, has under gone some extensive repair work this year, including the Exhaust Manifold, Turbo-Charger, 2 new A/C, and much in between. Obviously, our finances have been stretched, but we are grateful about the condition of the coach as we set out on the road for the 2013 Tour.

As for athletic competitions in 2012, the 73's team I played on won Bronze at the National Volleyball Championships in Salt Lake City, UT over Memorial Day, and our 76 volleyball team won Silver at the World's Senior Games in St. George, UT in Oct. In Aug. at the Master's National Diving Championships in Riverside, CA I earned 3 Golds 1 Silver and 1 Bronze.

Concert Updates

Jan-May, 2013 we will start in Desert Hot Springs and sing our way north to Portland via I-5. Then we'll head to eastern WA, Boise, ID, Ogden, UT, and Grand Junction, CO before Gordon competes at the USA Master's Spring Diving Championship held at the Air Force Academy in Colorado Springs, CO May 1st.

Tentatively we are scheduled to be in Louisville, KY for the Nat'l Volleyball Championships Memorial Weekend and will return to Mesa, AZ in Sept.

Kathy's Heroes

Tuskegee Airmen

An elite group of dedicated young African-American pilots who were pioneers of integration of the Armed Forces. Many bomber crews owe their lives to the skills of the "Red Tails"

Code Talkers

Pioneered by Cherokee and Choctaw Indians in WW I and made famous by Navajo Marines in WW II. By transmitting secret tactical messages using codes built upon their native languages, many Allied lives were saved and many missions succeeded.

Boots

This has been a busy year, learning how to run the cruise control, turn signal, windshield wipers, and horn. Dad's also taught me to sit on command (only way to get food and treats). And I've enjoyed my new friend, Hoss. We go walking together at night. We wear blinking bicycle lights so people can see us. Mine's red and Hoss has green.
